DETAILED ACTION

Allowable Subject Matter

1. Claims 1, 3-13, and 15-24 are allowed.
2. The following is an examiner's statement of reasons for allowance: The prior art fails to teach or render obvious the claimed combination wherein comprising an apparatus limiting the arc of rotation of an axially elongated rod about its longitudinal axis in either of opposite rotational directions and a stop assembly formed of first and second collars coaxially mountable on the rod at separate axial heights, a first stop carried by said first collar and, when the first collar is mounted on the rod, moveable with the first collar in a first annular path around the longitudinal axis of the rod; and a second stop carried by said second collar and when the second collar is mounted on the rod, movable with the second collar in a second annular path around the longitudinal axis of the rod.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
